To Shelley Spears, Director of Education & Outreach at the National Institute of Aerospace:

I would like to offer this letter of support for the _____
(University)

team competing in the 2021 Breakthrough, Innovative, and Game-changing (BIG) Idea Challenge. The project,

titled _____
(Project Title)

and led by faculty advisor _____
(Faculty Advisor Name)

has the full support of _____
(Department, Laboratory, or School of Signee).

Facilities and equipment at the university will be made available to the faculty advisor and student team members as needed to successfully design, build, test and complete their project. We understand the full research and results of the team's project will be presented during the BIG Idea Challenge Forum, tentatively scheduled for November 2021. Assistance will be provided to facilitate processing awards in a timely manner and ordering any necessary parts and supplies through approved university channels. Academic accommodations, if necessary and requested in advance, can be made so student participants may attend the BIG Idea Challenge Forum.
